

All Are Welcome!

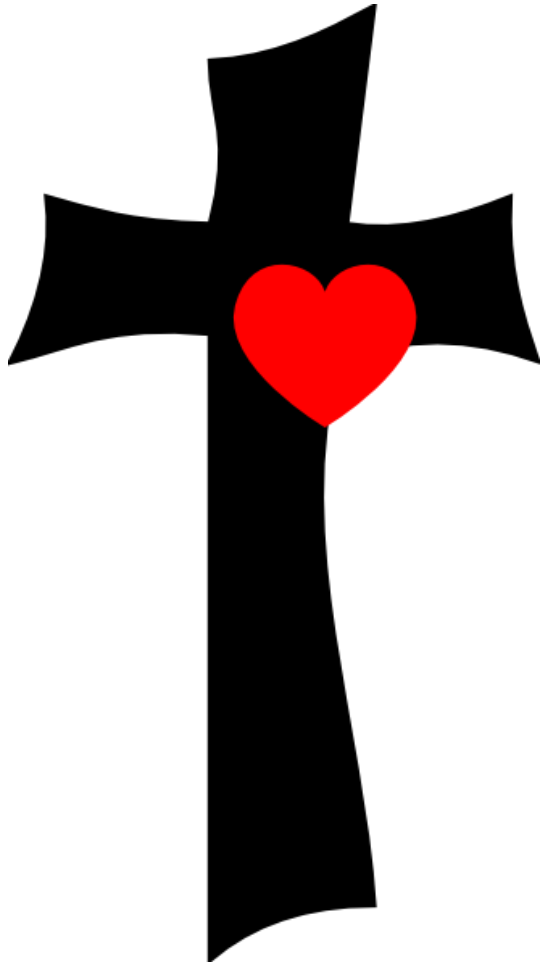

Places we see welcome

Jesus' love and welcome to all people is like a bridge.

Jesus' love welcomes everyone to him to learn about God's love and welcome.

So----would Jesus welcome and help these people know about God?

And---- would Jesus welcome and help these people know about God?

And---- would Jesus welcome and help these people know about God?

And---- would Jesus welcome and help these people know about God?

And---- would Jesus welcome and help these people know about God?

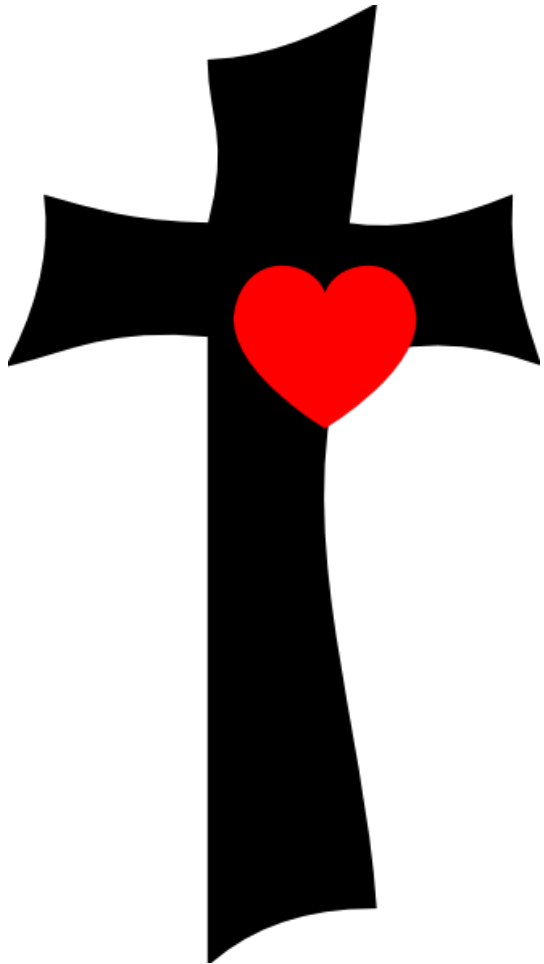

And---- would Jesus welcome and help these people know about God?

And---- would Jesus welcome and help these people know about God?

All are welcome to come to God through
Jesus-----any time and any place!

Jesus teaches that we are also bridges and we need to welcome others to know Jesus!

**ALL ARE WELCOME!
JESUS LOVES US!
and
THAT'S REALLY GOOD NEWS!**
